BOOKS ON WORLD GOLD

"Gold Coins of the World" by Friedberg. Brand new 4th edition. The "Fr. #" in this list as well as the references to "Catalog Values" etc. Refer to this book. This is the "Bible" to all World Gold collectors and dealers. A must for your numismatic library 22.50

"European Gold Coins Guide Book" by Schlumberger. New edition in English giving a comprehensive listing of all European gold coins since 1800, including a large section on Turkey. Gives mintage figures where known, etc. If you collect European gold, this book should be in your numismatic library, too! 15.00

WANT LIST SERVICE

We specialize in locating that hard to find gold coin — send us your want list and we will do our best to help you acquire the gold coins you need for your collection. We are connected via Telex to most of the major dealers and banks with numismatic departments around the world and will use all of these world-wide connections to help locate the items you need.

GOLD COINS OF THE WORLD INVESTMENT COLLECTION PLAN

We have been asked many times if we have a set plan of investment such as is advertised by many of the USA coin series dealers. Although we do not have a rigid set of investment plans for World Gold, we are happy to design a custom-tailored plan to fit your needs. If you would like to discuss this in more detail, give us a call or write us and let us know what you have in mind and we will try and work out something to fit your individual needs.

LAY-A-WAY PLAN

We accept Lay-A-Way purchases. Our usual Lay-A-Way plan is: $\frac{1}{3}$ deposit with order, $\frac{1}{3}$ in 30 days and final $\frac{1}{3}$ in 60 days. Total amount to be paid in full within 60 days of initial order. No interest or handling charges, of course. In certain circumstances, depending on the size and type of order, we can arrange other payment schedules ranging from 30-180 days. Let us know exactly what you have in mind and we will try and work something out which is agreeable to both parties.

All coins are set aside when your order and deposit are received — they are held in our bank vault in your name — to be shipped upon final payment.

PLEASE NOTE: All Lay-A-Way sales are final! No matter how much prices may go up, we are legally obligated to deliver the coins to you on final payment. By the same token, you are obligated to complete the transaction even if prices go down in the meantime. We will be happy to make adjustments for unsatisfactory coins, etc. But we cannot allow you to cancel your Lay-A-Way orders just because prices have gone down, or you change your mind, etc. Unpaid Lay-A-Ways will be returned to stock after 60 days.

CREDIT CARD PURCHASES

**WE ACCEPT
MASTER CHARGE
VISA
ON ALL ORDERS**

JUST THESE SIMPLE STEPS TO ORDER.

1. Include your name exactly as it appears on your charge card.
2. Send all information exactly as it appears in raised print.

The Back Cover

The 1915-S \$50 Panama-Pacific Octagonal (reverse). This side of the coin portrays an owl, sacred to Minerva and the accepted symbol of wisdom. The owl is shown perched upon a branch of western pine.

The dolphins, which encircle either side of the coin, suggest the uninterrupted water route around and through the Americas which is made possible by the Panama Canal.
